

FISCAL NOTE

SB 2138 - HB 2781

January 24, 2000

SUMMARY OF BILL: Revises the fee that a profit or nonprofit corporation, LLC, LLP or LP would pay to the Secretary of State's office to file *an agent's statement of change of registered office* from \$20 to a fee of \$5 per corporation, LLC, LLP or LP, with a minimum fee of \$20.

ESTIMATED FISCAL IMPACT:

Increase State Revenues - Not Significant

The current filing fee for changing a registered office address by a registered agent/corporation is \$20. The bill would permit a registered agent/corporation to file the change of address for multiple businesses it represents as an agent at a rate of \$5 per business with a minimum fee of \$20. Any increase in revenues will be for registered agents electing to file a change of their registered office for multiple businesses (who would not have filed such multiple changes in the absence of this bill) and paying fees in excess of the current filing fee of \$20 per registered office address. Any increase in revenues is estimated to be not significant.
